

Relive those days in Las Vegas with this great tribute to Frank, Sammy & Dean, the Rat Pack. These three performers help to relive and recreate those crazy days at the Sands Hotel. These performers have studied hours upon hours of film to make sure that every detail of the original show comes to life.

The show has received rave reviews, not only in Las Vegas, but wherever it has showcased. This show is great for corporate events, casinos, themed events and much more. The Pack Is Back may be performed to tracks or with a 8-16 piece orchestra and can be customized to any event. Bring a touch of Las Vegas to your next event and "Roll The Bones" baby!
