

ROCK

ACROSS AMERICA

A Live Tribute to Neil Diamond and Bruce Springsteen

"Rock Across America" is a full scale production extravaganza that brings together two of the greatest singer songwriters of our decade. These two artists have been paying tribute to America and what it means to be an American. Bruce Springsteen (Matt Ryan) has been performing his tribute for several years all around the United States and internationally as well. To date, Matt is the only live singing tribute to the "Boss" and has been working steady with "Legends In Concert" in Las Vegas and Atlantic City. Neil Diamond (Chris Denem) is a native of Pittsburgh and has been performing his tribute for over ten years to sold out audiences. His uncanny vocals and looks have made him a great success throughout the United States and abroad.

When these performers hit the stage you can feel the electricity and the pride as they perform their tribute to these two legends. This show truly brings America to it's feet and it will make you feel proud to be just that, an American!

The show is rounded out with a sizzling seven piece band, which includes one of the finest sax players in the business today. "Rock Across America" is currently touring the United States.

Let us bring a piece of Americana to your event!
